Memorandum for: The Secretary of Defense

Attached for your information is a copy of a letter dated November 14th from the Chairman of the President's Foreign Intelligence Advisory Board to me in my capacity as Director of Central Intelligence

This letter will be discussed with the members of the U. S. Intelligence Board at tomorrow's meeting and appropriate arrangements will be made for inputs from participants of the U. S. Intelligence Board to the overall report which I am required to submit.

While the bulk of the work necessary to provide this report will fall within the operating framework of the U. S. Intelligence Board, it may well be that your representative on the Board will wish to discuss this matter with you, and for this reason I am sending you this copy.
